“ Beverly, Brian, and Sheri, I am so sorry for your loss, Bud was a Poseyville and North Posey Icon. He was a friend and mentor with which I will forever miss. I was so sorry that I did not get to talk with him at the Hall of Fame Banquet. I saw him sitting towards the back and every time I moved in that direction someone else caught me and suddenly I looked up and he had left. I regret that I cannot be there to pay my respects but believe me I held the upmost respect for Mr. Robert Scharr. Today the Heavens are crying in honor of such a great man, who gave so much of his time to educate and coach other parents' children.

“ Coach Schnarr was one of the biggest supporters of North Posey Basketball. He and his wife Beverly never missed a game, even traveling to our camps and shootouts in the summer. During the season, Coach would always arrive before the JV started their warm up. He sat in the same spot at every home game, and he never missed a game on the road.

He called on the phone after every game, and he always told you what you needed to hear. He was quick to congratulate the team after a big win and pick us up after a tough loss. He cared so much about the North Posey Vikings, and he always supported us through the highs and the lows. He was our biggest fan. He was one of the most genuine human beings you could ever meet.

He meant so much to so many. He left a lasting impact on the people in this community. He touched our lives in an incredibly positive way, and his legacy will carry on. And although it will be difficult to look over in the stands and see Coach not sitting there, we know he will be watching over us and his presence will be felt.

Our thoughts and prayers are with Coach Schnarr's family during this time. We are all blessed to have been a part of his journey. Coach Schnarr, thanks for everything! You will truly be missed.

“ Mr. Schnarr was my teacher at North Posey. He was a very caring person and teacher. He went above and beyond. I think the world of him. He affected my life in a positive way. I always enjoy seeing him around Poseyville. I am sorry he has passed. I'm sure he will be missed by many. I was just thinking about visiting him last week but didn't get around to it. I'm sorry for that knowing he is now gone but I am happy for him to be with Jesus. Angel On Bud!
