“ *Jane was my "Baileys Buddy"! I introduced her to the drink many years ago at a NARFE Convention. She took one sip and said: "this is really good", there was no turning back. Jane was a kind and sincere person, who spoke her mind. My friendship with her (and Paul) started at a NARFE event and grew into a decades long friendship. Jane was a kind 😊 and thoughtful person, who had a smile that would light up a room.*

I wish to extend my condolences to Paul and Jane's entire family. The world has lost another one of it's ANGELS. Don Wiese, NARFE'S Chief Sargent at Arms

“ Jane was my "Baileys Buddy" for many years. I still remember the first time she tried it. She said: " this is really good".....and never looked back! I had many years of fond NARFE memories of my dear friend Jane. She was an INSPIRATION and a GREAT example of what a good human being should be.

Although time/distance had separated us in recent times, I have never forgotten that enormous smile! My condolences to my other dear friend, Paul (Jane's husband) and to the entire family of Jane's. The world will now be a little less "happier" and a little more "sadder" without Jane's!

*Sincerely,
Don Wiese, NARFE'S Chief Sargent at Arms*
