“ *Ed, Vince and family, I am so sorry to hear about Aggie. She was always happy and just running into her in the grocery store or wherever it might be, always put you in a better mood because her pleasant personality seemed to rub off on everyone she was around. She will be missed by so many.*

“ *Ed and Vince, I'm so sad for you today. Aggie was a wonderful person. I will always remember her sitting in my family room with my mom laughing like two little school girls. She was always such a happy person. As sad as I am for you, I'm glad Aggie is no longer in pain. Love you guys.*
