“ *There are so many memories I don't know where to start. You had such a loving spirit, you cared about others and it showed. When I would spend time with you in the summers, you would help me bake and sew and let me stay up as long as I wanted. I am 71 years old now and I still bake and sew. Thank you for teaching me. You and Uncle John were married on my 11th birthday. I remember we had green and pink bread that day. I was so happy when you moved back to Tell City. In your old age I loved caring for you and going out to eat with the "gang". I will miss you but I know you and Uncle John are together again. I love you. Give Mom a hug and kiss from me.*

“ *I will always remember how gentle and soft spoken Aunt Alice was - she was such a joy to be around. When we would visit them in Cynthiana, my kids loved knocking on their door with woodpecker door knocker - they got such a big kick out of it. I remember how much she and Uncle John loved going to the Aces games. She had a big heart and will be missed.*
