“ *I was so sorry to hear about Butzie - we were close friends in high school, and she will always have a special place in my heart . . . so many great memories. I was in her wedding and was also Robin's godmother - it gives me comfort knowing that she is now united with her precious little son. Shelley - I remember you from times spent at the Rieber house, and I remember Stephanie as an adorable little girl! I'm so thankful to have known each of you, especially Butzie. Know that I will be keepong everyone in my thoughts and prayers. With Sincere Sympathy -*

“ *I am saddened to hear of Butzie's passing. Her pain is now over; and what a joy it was when she joined her mom and dad and baby Robin. I lost track of her many years ago. I hope she found the happiness she deserved. My thoughts and prayers for her loved ones.*
