“ I told some stories about you tonight to some co-workers. Just silly stories that I think about a lot. You thought The Chipmonk song said “Alvin, Simon, The Other One” instead of “Theodore”, Hahaha. We watched Mutual of Omaha’s Wild Kingdom and The Wide World of Sports on Saturdays.

“ I think about you everyday. Sometimes I’m positive I hear you. I dream about you several nights a week. I should have told you, more often, how much I loved you. I pretended to be so happy when you moved out of the house and in with Jenni, but after about 2 weeks, I hated you were gone. I went out to the house the other day. Clover died and I wanted to make sure she was buried right by Rocky. His cross is gone, but I remember where he is. I wish I could relive the day us four were out at Dad’s. It was so sad, but I felt closer to you that day, and while he was in the hospital. I just want to be a little kid with you again...just for a couple days. You taught me so much. You were the dad he wasn’t to me. I don’t think I ever told you that.

“ I'll never forget the day Bernie shot a cottonmouth down at the river camp that was over 7 ft. long. Got it with one shot. I always felt very safe with him around! Great man who will be greatly missed.
