“ I first met Betty after I became a member of Kuttawa First Baptist in the late 90s. Betty approached me to become the teacher of her Sunday School class. I had never taught adults and didnt feel adequate but Betty kept persisting and I became the teacher. We grew close through the years and encouraged each other with prayer and scriptures. I will miss Betty greatly but I know where she is and I am sure we will be together again one day in Heaven. Love you Betty.
