“ *I remember Aunt Betty taking me golfing to the golf course in Carmi. She taught me how to judge the green and the secret to putting. That day she hit a hole in one. I will never forget it. Loved her laugh. She was larger than life. Love you Aunt Betty. Give Uncle Jack a big hug for me.*

“ *Mom, was a great lady and a trick player. When I turned 16 she asked me what type a cake I would like and I told her just to fixe a box cake. The night a beautiful chocclate iced cake with 16 candles all a fire was in the center of the table. Mom had several of my friends there and when the flames were blown out and knife was ready I started to serve the cake the cutting just did not work due to the cardbord cake. Thanks Mom for wonderful life of memories.*
