“ Sorry to hear about the loss of Bobby. I had the opportunity to grow up around Bobby at Indian Mound Farm and he was a great guy. Condolences on behalf of the Haygood family.

“ It was always fun to come by and see Bobby in his workshop. Good mechanic that always was ready to help. Then there were his buddies that came to share time, and his beloved great-grandson Christopher with his toys there. Kind man - caring family man - loved by his wife - respected in the community for his work ethic, kindness, smile and that beautiful garden! I'll miss seeing you at the recycle center too. Rest in peace ole Blue Eyes.

“ Grandpa was a great man. He was always there when I needed him. Always calling me kid. He was like a father to me. When my son Christopher was born, that became his Papaw. They were best buddies. The only man who ever raised him. We will never forget you Papaw. We love you so much.b
