“ *Every weekend my mother and me would go to the Tastee freeze and get an ice cream cone on a Saturday and then hang out and feed the ducks at the city lake these are some of my earliest memories that I have and I am thankful that I got to do them with my mother*

“ *You never saw Brenda miss a game of RJs. I remember her as quiet lady that loved her son. I'm so sorry for your loss RJ.*

“ *I will miss her smile that lit up a room, the way she stood up for what she believed in and our conversations which left me always feeling better. As Brenda's friend, my heart aches from her absence, I can't imagine how deeply her family is hurting. My thoughts and prayers are with you. RJ, if you need anything, just ask.*
