“ Barbie,

We haven't seen each other for years but I do see some of your family around. I always loved running into your Momma when she was here. Loved talking and hugging her. I lived in St. Louis for 10 years with my job and when I moved back she was gone.

I am so very sorry for you and your family's loss. My heart breaks for you. I've lost a cousin and an uncle to this same cancer.

You all take care of each other and I will be praying for all of you.

I would love to see you when you make it back here sometime.

Hugs and love!
