“ *Annette*

I am so sorry to hear of the loss of your mother. I don't know how I missed it in the paper but was with Barb and Ed Cooper today and they told me. I think they missed it in the paper also. I get the electronic edition and always check the obituaries but I sure missed this one. The paper looked different and I think I just missed it that day. "Miss Connie" as we all called her will be missed by all of us who knew her at NPJHS. She was a great friend and was always willing to help with anything that anybody on staff needed. Again I am so very sorry for your loss.
