“ Being all that gruff tough guy stuff, Dallas was the most generous "tough guy" . I was very fortunate to have worked 6 years of my life for you. Shared plenty of laughs but we being the stubborn asses we are, had our differences. And no, you weren't right all the time. Just like Jessica and I told u not to climb the roof. You did. You left in an ambulance. Broke your back. Told y'all so!! When I heard you were gone, I never imagined the cancer woulda got you. I love ya dad and will miss u and your loud ass laughs. No more hurt. You're free...

“ Dallas was a wonderful friend and person! He never had an unkind word to say about anyone! I have known him since I was 17 years old. I worked at Amy's in Wadesville. Spent an incredible 2 years of my life with him. Have cried many tears over him in the last 4 years! God only knows how much you were loved and will be missed by me! All I can do is pray that you are ok.....I love you now and forever!!!
