“ I wasn't a close friend of David at school, but every memory I do have of him involved a fantastic grin and mischievous eyes. People around him seemed genuinely happy and shared in his fun. I am so sorry to hear of his passing. The world needs people like that in it.

“ “In life I loved you dearly, in death I love you still. In my heart you'll always hold a place that no one will ever fill.”
A piece of my heart now lives in heaven. The one comfort I have is that one day I'll see you again.
