“ *I have known Pup since 1974 being from Griffin myself . I've also known his wife since about the same time . In fact I remember when and where they met . Pup was always kinda crazy in a funny sort of way . Had some good times together . He will be missed .*

*I spent my summers with uncle Marvin and aunt Katherine which made my cousins more like siblings. Pup had a way of making you feel like you hung the moon. That was his super power. To me he was a hero. I can't think of one bad thing about him. He made everyone around him feel special. He loved to laugh and to make others laugh with him. He will be sorely missed. R.I.P Dave I will miss you.
