“ My heart goes out to all my cousins for their dear sister Dawn. She was like a sister to me and I will treasure each and every memory of us together, from the farm, tap dancing, girl scouts, the church choir, our Volleyball team "The Losers", the creek, the drive-ins, Chicago and our special place "The End". We packed a lot of great memories in those short 18 years. I love you DD and will miss your great stories and humorous kidding and laughter. I know your in a great place now and I'm sure they heard you coming, please give everyone especially Mom a big hug for me until we meet again.

“ So many children benefited from your care for them in our AWANA program, most importantly the granddaughter of your heart, Lexi. Thank you so much for planting those seeds. Heaven has gained a special servant Jennifer Kindschi
