“ What can I say Denny was always happy to help anyone at anytime and he always did it with a smile. I am sure without his help there would be no working pond at my old yard, just a little help from one friend to another kept Brian from throwing int he towel. Rest in peace my friend.

My prayers are with all of you CeCe and I wish I could be there with all of you.
Love you all

“ Denny and I had a special connection in that we both were fortunate enough to present our twin parents with twin grandchildren as well as other grandchildren. I remember bringing mother (aunt Florence) to Indiana to visit and she and uncle Dick were both so proud of their children and grandchildren. Our thoughts and prayers are with ALL of you at this time. Much love from cousin Mary Ann.
