“ *Don and I were classmates in New Harmony Grade School and NHHS, class of 1955. I valued him as a considerate and very reliable friend. I often was jealous of his physical strength...he could knock a softball further than anybody in our class during recess in grade school! I remember when he was the first in our class to get his driver's license and bought a car to drive to and from school. I still remember riding with him... I envied his driving skill. I will remember him for his generosity and hospitality especially during the times that I was in New Harmony for special occasions...class reunions, etc.. I share your sorrow in his passing. -Ken Wisley*

“ Will always be thankful what he did for all our family. Was a good man to everyone. Will be greatly missed. Will remember Cousin Donny always in a hurry. He Gave me a ride from one farm to the other when i was a young boy with his right arm stretched back over the front seat back and his right foot flat on the floor as fast as we could get there. Donnie was a kind and generous man. We will never forget all the things he did to help our family... giving me a job in the construction office when my husband went to Viet Nam. Was able to give him a big hug last time I saw him. We certainly will miss seeing him. The Parker's are a wonderful family.

“ We are going to really miss Bro. Don at First Baptist Church. He has been a faithful member to our church, and he has blessed us with his many talents. My fondest memories of Don are looking across the aisle at him, bible and pencil in hand, listening to the message, taking notes, and watching him watch his grand daughter, Paige, as she played the piano. He was so very proud of her. We will miss his smile, but we know he is with Jesus and his beloved wife, Shirley.
