“ I have many fond memories from my childhood of uncle Don and his family. I remember great fun, great life lessons, great food and great playtime at the house and on the farm. In later years we would always stop by and have a brief visit at the service station and on at least one occasion making a much needed auto repair so we could make the trip back home. I know he was greatly loved and will be greatly missed by all.

You are all in my prayers.
