“ *Aunt Dorothy I will miss you.. You always were so thoughtful of so many people.. I am so glad we shared all that we did in our visits...My memory of my childhood was always the dolls you got me for birthdays and Christmas..the little women dolls... You and Uncle Joe always played with me and Uncle Joe was always there with that one magic trick of disappearing penny...You fly high in heaven .You will always be in my heart*

“ *Aunt Dorothy was such a sweet lady. I'll never forget the anticipation of walking up to her door at Halloween as she was the inventor of the treat bag. As much as all us kids enjoyed this, there's no doubt that she and Uncle Joe enjoyed it even more. :-)*
