“ Our family had a few visits to Aunt Dorothy's and Uncle Gene's house during the summertimes in Poseyville, they were always rollicking good times! My dad, Gene's newpew by a few years, and Gene really knew how to tease Aunt Dorothy and my mom, though Aunt Dorothy held her own on dishing it back to my dad! I remember my parents and Dorothy and Gene loved to play cards, kid and tease and laugh, always having a great time! Aunt Dorothy was a fabulous cook and made sure we left for home with a jar of her pickles, a peice of homemade pie, or a bag of home grown tomatoes from their garden. Dorothy and Gene were like having another set of grandparents to me and my sister. In my mind's eye I can easily recall Aunt Dorothy's quick wit and rapid comebacks as she sparred with my dad (Donald) about his and Gene's youth in Poseyville, all in good fun! Love to you Aunt Dorothy! Shelley Overton Geiger

“ I admired her beautiful quilting and her sweet personality and our special talks out on the patio. She was a jewel of a lady and her marriage to Gene was so solid. A great role model, I could have talked to her for hours. She will be missed.
