“ *Kathy and all the family, Bud and I are so very sorry for your great loss. I have known Earl ever since I was about 14. I have so many great memories of him I can't begin to tell them all. He was one of a kind but a true great friend When we were kids we were neighbors and never went anywhere without the other one as that's the way it was all the neighbors went together. Later after Bud and I were married we again remained good friends. He will never be forgotten as all of the fun we had. He loaned us his yellow Willys Jeep and we decorated it for parades when I was in politics. When you were around Earl, you were going to have fun. Kathy I know you have many great memories and believe you will lovingly think of him as memories are the legacy of love. He lived a good full life and if he had an enemy I didn't know it. Love hugs and prayers for everyone. He will be missed.*
