“ *When Eleanor Jane was about 12yrs. old, she tapped-danced with two girl-friends and entertained at special events around Posey County and about 1949, they won a trip to the Indiana State Fair and that was a very special time. I played the piano for them to dance to the song, "JUST SINGING IN THE RAIN", as they twirled their umbrellas and tapped away. I am sorry that I cannot be there to offer my condolences in person, because of my health issues, at this time, but will keep the family in my prayers. I have many special memories of her and her Mother & Dad.*
