“ *Every strong Family hopes to have the right formula. Great parents, siblings to love and hate, grandparents to visit and cuddle, cousins to play with, and uncles and aunts to show you how to be the best that you can be. Thanks Aunt Dolly for helping to raise me up. I know you were welcomed into your new home by many, many, many loved ones.*

“ *Fran was the first person I met when I started at Social Security. She was a profound influence on my career of 32 years. She was always dignified and gracious. I missed her when she and Lefty moved to Florida.*

“ There aren't enough kind words to say about Aunt Dolly. She made us all feel loved and so special. Always a good time with Aunt Dolly. And she made sure she remembered everyone's special occasions. Aunt Dolly you will be missed but never forgotten.

Love you,

“ Miss Dolly was a sweet and kind lady who gave my sons the opportunity to start learning job skills mowing her yard. Often she would have a chair in the garage and have us sit with her and have a drink and visit after we finished. She will be missed.
