“ Christie and Kyle I'm so very sorry for your loss. We've never met and I truly regret that. Greg's mom and dad were close to my parents. Our families had a lot of great time and memories. Greg and I were born about two weeks apart and remained close all through school. I have so many wonderful memories. Greg will be missed.

“ When we first moved to Poseyville, I was twelve years old. We all rode bikes all over town and Greg had the coolest bike . It had a steering well and I thought it was the coolest bike ever! He was kind to me then, as the new kid and kind to my family throughout his life. As our banker, in adulthood, he went over and beyond. He will be missed...
