“ My heart aches to hear about Jake... the first time I met him he was at the birthday party we held for his best friend at the time (Brad Rickard) we always held a big Halloween birthday party for his class and it was so much fun. I saw this little boy (Jake) run off from the crowd toward our garage where my husband had just returned from work... I follow to see what this very active little boy is going to do. Jake had a rubber snake in his hand and he runs up to Brad's dad and is hissing and shakes it at him... he told Jake... " Boy that snake is going to bite you... Jake said "nah... its fake... then I told Jeff... this is Brad's best friend... Jake George. We both laughed... Jake ran off to go back to the party. Mrs Orem told me one day that Jake really admires Brad... I told her little does Jake know but Brad admires Jake... Brad told me one day "mom, Jake is not afraid of anything and he is not afraid to talk to anyone... I wish I could be more like Jake>
