“ *My condolences to your family. I'm so sad to hear of Jim's passing. I've known Jim since high school. He dated a close friend that I went to school with in New Harmony, and they would take some of us younger girls with them riding around or we'd go to his mom's house and listen to Elvis records. I would see Jim from time to time over the years, and several years ago he called me to find out if I knew a mutual friend had died. We have talked every 3-4 months since then. He'd be sitting in front of the tv, watching old shows. He checked up on my granddaughter Lola, and we'd talk about old friends, what we'd been up to, how our health was, and last year we re-connected with a friend from Griffin who lives in AZ. He would laugh about how long Jerrold talked. Jim was a really nice guy, a good friend, and I will miss him. I'm sorry for your loss ~Diana Hardy Davis*

“ I was so sorry to hear about Jim.
He was so much fun in high school he went to North posey and I went to New Harmony High.
He and I met through two mutual friends and right away I knew he was special.
I wondered how he was doing through the yrs.
He'll be missed.
