“ To all the Titzer boys and families. So sorry to hear about Janet. Even though she was much younger than I, I remember being around her in our neighborhood growing up.

*Heaven has gained the most beautiful Angel, I know you're singing in the Angels choir & GOD is saying, "Hallelujah you're home"! You was the best friend that a girl could ask for, and I was so blessed to have you in my life, til you were called home. I will miss you dearly & will be awaiting our next meeting. I truly don't know how I will get through life without your sincere caring & loving heart that was always there for me, no matter what it was for or what time of day it was, you had my back. You took me & "my boys" as your own, never a doubt in my mind that you loved us as family. For all the love you showed & gave us, I will forever be grateful for you. I miss you so much already.
