Yeah, that looks like Tim Mauck at the wheel, Jed, Steve "Booger" Hamilman in front seat, and I think Jeff Hemphling in the back seat, but not for sure. I was usually hangin with that bunch back then. We called ourselves "The Mole Hole Gang" because our club house was under Tim Mauck's front porch and the only way to get in was to crawl through the foundation vent. Galen Jones

He was! This photo was taken by my dad, Earl Mott Wade. The boys had just given him a patio lounge chair for letting them swim in our pool. They all piled in Dad's car after that. I'm not sure where they were going! 😂❤️
