“ *Its been months since you have left this world dad. I miss you every day it seems, but I still feel like you are right next to me every day. I love you very much and am happy to have you as my father. The older I get, the more I understand all the things you have been telling me for years! I miss you so, and love you. As the years pass, I am starting to realize how similar you and I are and it makes me love myself. This will be my first birthday without you here to celebrate and I am going to miss that for the rest of my years. I love you dad.*

“ *My deepest condolences to the family, I was not aware of his passing. There hasn't been a day in my life that I haven't thought of Jeff, he was my grade school art teacher, and he was completely responsible for encouraging me to pursue my passion. He was a remarkable man, funny, kind, supportive, and he will be missed in this world.*

“ Jeff was a beloved teacher of my children at Leach School in Anderson, Indiana. He was instrumental in bringing out the artistic talents in his students. A frequent visitor to our home, he was considered a special friend. After he moved away, we lost contact with him. It is with true sorrow that I just learned of his passing. Our memories of his cheerful disposition remain.

The Faust family all send our sympathy to the family.

“ Dear Bill, Candy, Chris, Tina, and all the Mulkey family,
You have our sincere condolences on Jeff's passing. He was such a pleasant, fun, and entertaining friend, as well as a class and schoolmate since first grade at St. Francis and through our years at North Posey. We will cherish our memories of him. As teenagers, we truly enjoyed listening and dancing to the music of the Weejuns - - those weekend dances at the Legion Home and festival street dances sure were fun! God bless Jeff and all of you.
Sincerely,
Gwen (Reising) Scott & Greg Reising

“ Jeff was more than just my best friends dad or my neighbor, he was truly someone who I've known throughout my life. I'm thankful for the many memories of him and the talks we shared. He was highly intelligent, funny, artistic, and had a strong love for music (as his neighbor I often heard his radio blasting). Thanks for moving next door to me Jeff, that decision was truly God ordained because it introduced me to Cailee. xoxo
