“ *I vividly remember Jerry as a good and happy person. He was always a joy to spend time with and share a laugh. My most memorable moments with Jerry were on the golf course. He was so positive and happy, no matter the outcome. I offer our deepest sympathy to Nancy and the entire Wilder family. We are out of town with family and sorry that we can not express our love in a personal manner.*

God bless Jerry and the entire family.

“ I have so many summer time memories of baseball fields and tournaments, Jerry coached the same time as my dad Bob, those two donated so many hours to the youth baseball programs in Posey County. Jerry was always smiling and his laughter was certainly contagious. My heartfelt sympathy goes out to his beloved family, may God wrap his loving arms around all of you and comfort you in your time of need.

I remember Jerry always coming to our house to talk about insurance with my parents. He was always smiling and always very nice to everyone. I know he will be missed.
