“ So many wonderful memories of Aunt Joanie. Santa carried a red sack but Aunt Joanie would come through the door with more than one big black bag. It had no end to the gifts she showered on her nieces and nephews. The volumes of pictures she shared with us from the many family gatherings and special events. Aunt Joanie captured those moments. Jacki takes after her there. AND we all new that if you got a pizza with aunt Joanie the cheese went all the way around the edges and the coke had only so much ice in it. She would send sweet thoughtful cards with words of kindness and encouragement, the phone calls we have shared. She will be missed. She had a big heart full of love for God, family and friends.

“ She was always so kind, and a generous gift-giver around the holidays. We played countless hours of clabber when I was a kid. She enjoyed the company of her family.
