“ *I always loved going to the Wilson's house to play with Sara. Jody was always happy and her laugh could be heard down the block. She was my second Mom and it was hard when they moved away. Sending lots of prayers and hugs to all the Wilson kids. She was certainly one of a kind Mom.*

We were just talking about this sweet lady. Wondering where she was. I use to receive her mail alot. One time her kids had sent her a flower arrangement & they delivered it to me on my Bday! By accident. We shared our name. I always enjoyed her kind spirit. Peace be with you all now she's with her beloved Bill
