“*Uncle John was a larger than life character in our lives since we were little kids. You could count on him to say exactly what was on his mind and he always offered sage advice such as “stay away from those hairy legged boys”. Not sure why, but I did take that to heart. In the past few years he had taken to periodically calling me and my brother (who he called Tiny Tim, although he is 6’5). I’m not sure how he picked us to call, but I’m glad he did. It was really nice to catch up with him and it made me feel very special. Uncle John was a dedicated and passionate man with a strong personality that drew us to him. Sending love and big hugs to the family.*
