“ Well, it's hard to find the words - John was our good friend! We ate breakfast with him and Sharon every Sunday morning at the Diner or in Albion for I don't know how many years. Sometimes we would go on buying excursions with them which were always so enjoyable. Of course, we would meet up at Wilson's Auctions and I would tell him he didn't need to buy anything else lol. A sweeter, kinder human being it would be hard to find unless it's his wife, Sharon, who kept him on the straight and narrow. We are going to miss him soooo much!!!

“ Sharon, I am so sorry to hear about the loss of your husband John.
Even though I never meet him, I remember you telling me about
him. We became good friends at GE. I sold office supplies for Smith
and Butterfield in the basement of building 1. I have never forgotten
you even though it has been a long time. I will keep you and your
family in my prayers at this difficult time in your lifes.

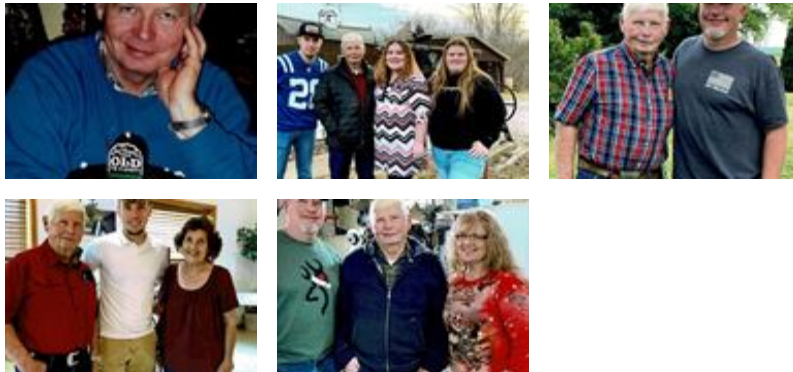

Always your friend,
