“ *John was a great man. He was always quick to laugh and smile. His attitude was positive even in the worst of times. He adored his family and spoke highly of all. The light that radiated from his presence was always encouraging. We will truly miss him. We were honored to serve him all these years.*

“ *I am so sorry. John was my supervisor at the phone company and I credit him for saving my life. We were in a meeting at Bloomington and broke for lunch. I was choking but too embarrassed to say anything, I just grabbed his arm. He took one look at me and yanked me out of my seat. Just that move dislodged the food and I began to breathe. I know he loved his family very much.*

“ *My Dearest Vada, kids, & grandchildren, my heart goes out to all of you. John was a very loving, sweet, caring man that loved his family. John always had a smile on his face when I entered his room at New Harmonie Health Care. I know in my heart that John is no longer in pain, is not suffering any more. His soul is a truly Golden soul. He now has Angel wings and a golden Halo. We all will see him again some day. He was my Sweetheart, and he always put a smile on my face and warmed my heart. It was a true honor to take care of him. John didn't take anyone for granted, he would let you know that he appreciated you. I will miss him very much. I wish I could be there, but I've promised I would do something special with my grandson today, since he's on his Spring Break from school this week and I don't get to see him that often any more. He is 6 yrs. old. I'm sure John would understand. Please express my love to all the family and my deepest sincere sympathy. God Bless you all and give you the strength to get through this hard time. With Much Love, Tammy McCleave Harrington, RN.*
