“ *Jo was just a wonderful human being. She ALWAYS had a smile & such a warm and encouraging personality. I grew up with Doug and have fond memories of going camping with their family to Lincoln State Park during my childhood. I'm sure that Jo & George did so much "behind the scenes" planning and preparation to make the outings such a great memory. I am grateful and blessed to have had the opportunity to know Jo & the entire Hamman family.*

“ Doug, Beth and family, So sorry for your loss. Your Mom was a very nice person. I remember her from NP Jr. High School and of course, she and your Dad were my parents neighbors. She was always bright and shining with a beautiful smile and very caring when I was in Jr. High. Your Dad was very nice too. I remember him talking to me years ago when John was a Congressman about a particular video that was handed out in Congress about a politician. We had a good conversation about it as I was familiar with it already. I feel honored to have known these 2 beautiful people.
