“ Kathy was the true meaning of real friendship. She was there in good and not so good of times. Sometimes we could talk for hours and sometimes just being there not talking. Remembering many trips and special "family" times. Rest in knowing that you are truly missed by everyone. I love you and miss you my dear real friend - Carol Vonderheide

“ I'm so sorry to hear of the loss of this beautiful person. I knew Kathy from years ago when we served on the FI Hospice and Palliative Care Association committee for the annual conferences. She was so much fun to be around and we became friendly colleagues over several years. I have always held such fond memories of her. I pray her family will be comforted by their memories and her love for them. My heartfelt condolences.

“ Kathy was the beloved sister of Judy & Debby. We will always, always love, cherish & remember her. The grove of 3 trees represents the 3 of us. They'll be planted in Michigan close to 2 national forests. I know she would approve.

“ One of the most beautiful persons, so dedicated to her work and everyone she knew. She was so beautiful inside and out. She was funny, smart, and strong willed in her beliefs, which made her one of the greatest people I have known. I loved her dearly. She will be missed by so many and was loved by so many especially her husband Bob, her sisters and Indiana family who will have such a void in their lives now that she is gone.
