“ *What wonderful memories we both have of Katie and Bob. When we moved to Poseyville in 1973, Katie took us right under her wing. We remained good friends thru two more moves. Katie and Bob visited us here in Colorado several times and we took several trips together in Colorado, Wyoming, and even Banff, Canada. To the Hirsch girls, remember your mother with a smile on your face. Paul and I certainly will always smile when we think of her and your dad.*
