“ Known Kathy manny manny years. We “grew up” in church together. We went skating together at berchadore coliseum nearly every Friday night. That old rattletrap school bus was cold in the winter and hot in the summer. Loved her like a sister. Missed her ever since she and the family left Charleston for Indiana. Many great memories spending time with her and her family. Still love you Kathy. Say hi to your mom and my parents when you meet them just inside the eastern gates of glory.
