“ When we are brought to light it becomes a revelation ...it is not a thing or an object that can be placed somewhere and kept intact....revelation is what happens between persons and exists only as a personal reality ...if there is a revelation anywhere in all this in can only be in the conscious experience of people...Kevin will always have a special place in my heart as he did with everyone that was touched by his sincerity... his laugh his smile...my heart goes out to his family friends and loved ones which I am proud to be a part of ...he will be deeply missed...we loved him very much.....ride em high buddy...we love you

“ You truly had the most attractive personality I've ever seen in a person. You're wittiness, quirky ways, your simple way of looking at things, and silliness are qualities that made you who you were. You could always bring a smile to my face, no matter the situation. I remember the first day I met you. We formed a bond from that day forward that even I can't quite explain, or understand completely. My heart is heavy today; my "Super K" has left us. You've left and I didn't get a chance to tell you, once more, how much I treasured our friendship. For you, I'll put on my poker face, and keep on moving forward, but know that while I'm moving forward, your memories will not be left behind. Until we meet again my friend...
To Kevin's parents, his family, thank you. Thank you for giving us all the pleasure of meeting Kevin, to be blessed to have known such a great guy. You raised a very well-mannered, respectful, big-hearted, good ol' country guy. One who will be missed by so many. My condolences to you all. I will keep you in my family's prayers. I'm so terribly sorry for your loss.

“ I will never forget Kevin my first sponsee, but more than that such a good friend. Memories of working together on the farm, going to meetings together, our talks and many hours on the phone. I think he helped me more sometimes than I did him. His laugh was one of a kind and his smile was contagious.

“ *I'll never forget when Kevin and I sweet talked our kindergarten teacher and bus driver into believing us when we told them that Kevin was supposed to ride the bus home with me, but his mother forgot the note. I had just gotten the new He-Man figure transporter and really wanted to show him and he was just as excited to see it. We had the whole evening planned out and were going to have the time of our lives playing with the new toys!*

Mom said that once she saw Kevin get off the bus with me, she ran inside to call Sherrie and tell her where Kevin was because she knew he wasn't supposed to be coming home with me. I don't think that we got to play with the new toys that night.

Kevin will be missed and I will cherish that memory for the rest of my life. Please say a Rosary for Kevin and his family, I sure will.
