“ *So sorry to hear of Larry's passing. I thoroughly enjoyed talking to him, especially about his automobiles. From speaking with him, he lived a full life and I am honored to have gotten to know him. I'm praying for his family for eternal happiness and salvation through the shed blood of Jesus Christ.*

“ *Patricia and Family, sorry to hear that your beloved Larry has passed away. He had a remarkable business career with several "firsts" in his track record. Occasionally, I saw Larry at the New Harmony Post Office. He was someone that thought "outside the box"!*

*Maple Hill Cemetery, with the hills and trees, is an interesting resting place. I enjoy going there! In addition to its beauty, it radiates peace!*

*With time, may healing come to each of you. You will be kept in my meditations. With deep sympathy, Lena Feiner*
