“ *Oh My Goodness*

*Ray, I am so pleased that you joined her during our Class Reunion at Ferndale what seems like only yesterday!  
A touching remembrance as she walked in with that basketball for a moment of saluting her athletic ability during our high school years. As I recall she only wanted to come when I told her I needed her help. I did and she did bring the requested props for some fun photos.  
My regret is that I didn't get to see her more during these last few years. Her smile was always one so sincere as her eyes greeted others with excitement.  
It has been a joy to read how others felt her presence and her teaching talents in the kitchen.  
I enjoyed my high school years with her. And I will offer a prayer for all of us because I have little doubt that she is at peace and smiling.*

“ Snakebite, and family, I am sorry for your loss. I loved hearing stories from Lurleen about the grandkids. She would glow when showing the pictures of the family. I know she will be missed. My prayers are with you. Blessings - Bobbi (Greenwell) Miller from Whirlpool.

“ What an example of a Godly woman. She was always so friendly and made sure she spoke with everyone each Sunday morning. Really made you feel special and welcomed. I remember working with her in the kitchen whenever there was something going on that required any kind of cooking. She was amazing in the kitchen. I always admired her work ethic and desire to serve people. The other thing I remember was her passion for prayer. She was a prayer warrior. She was quiet, never wanting any kind of spotlight. She was a gentle, sweet soul with a huge capacity to serve and love God's people.

Your family has suffered an great loss and it will take time to grieve and find your way. But, know that she not only made an impacted on her family but everyone she met. That is a great legacy.
