“ *Granny hold on to that part of my Heart that moved with you as the angels carried you home...  
I need to Thank You for all the prayers you have prayed,  
And apologize for the tears I might have caused,  
And I choose to focus on all the laughs we had .....  
I realize my most precious moments in my life are because you lived  
and chose to share your time with me and for that I'm eternally great full ....  
I know you will be waiting and watching for me in Heaven Granny but until I get there kiss Daddy and the rest that are waiting as well it won't be long until I come home too  
It won't be long until my heart is whole again...!!!  
Until then Dance Precious Granny, dance....you earned it....!!!  
Xoxoxoxo  
Love,  
Melinda*
