“ Mac was one of the most patient and understanding Dads of all time. I witnessed him demonstrate this amazing quality many times throughout my teenage years while I was spending a lot of time with Leslie. Many thanks to Mac for being so understanding of our antics. I think he had a very special place in his heart for Leslie and I hope this brings her comfort and maybe even a smile to her face even in this difficult time.

Leslie you and your family are in my heart and my forever memories.
