“ *I worked with Marge for many years. We took every opportunity to laugh and share good times. Marge had a great love of life and Pete was in her conversation always. She was very proud of Pete's baseball days. She loved sharing memories of being a Kraft child. Marge was a great humorist and knew everyone from many miles around and could tell interesting stories from the old days. Her love of the Church was known by all. More than all that, her kindness extended to every single person. She had a soft heart for the elderly and for those with "less." Great condolences and sympathy for her girls. It's a heartbreaking loss.*

“ Our thoughts and prayers are with all of you. We shared so many fun times when we were working together. And like her favorite nocturnal bird, she was a hoot! Rest in peace, Marge. I will never forget you.
