“ I remember when I was maybe 6 or 7 years old... I was with Aunt Martha and Josh heading to watch Josh play his baseball game.. She was aware that I am deaf so she told me to watch Josh play and cheer for him and his team.. I enjoyed watching Josh play and talked a bit with Aunt Martha... I knew from that moment she loved being my aunt and taking care of me while my grandma was busy. From that moment, I knew family means something meaningful- they are a part of whom we are at modern day times.
