“ *I worked with Matt the summer of 2012 doing masonry. Matt was as good natured and hard working as they come. He showed me the ropes around the job site and was a go getter. He was always doing cool stuff and had great stories. He invited me over to his house once for a fish fry. He treated me (and everyone else) like family. I'm glad that his suffering is over although it's still hard to grasp. His family can be assured that he lived life to the absolute fullest.*

“ Matt was a wonderful student of mine and in later years, a good friend who I sang karaoke with on New Years Eve at the Legion enjoying a fun evening. I will always remember talking hunting and fishing and nature with him before the start of class. He was so excited when his science fair project on how to best clean oil off of bird feathers did so well in competition. I remember watching him after school when he stayed to carefully dip his feathers and wash them in different solutions. Love that boy! My sympathy to Martha and John and Nick and family. Lois Gray

“ Matt I will never forget when I babysat you and Nick.. you was so sweet ... your brother was a pickle though but sweet too... you was leaning over the coach talking to me when Nick bit you on the butt leaving teeth marks ... we would talk about that later on down the road and laugh.. You and my Tyler's Forever 24 birthday is the same day... 💜 Fly high sweet boy... 💜
