“ I am sorry and deeply saddened by your family’s tremendous loss. My heart aches by the news of Mike's passing. He was a long-time friend and fellow competitor in AQHA horse shows, dating back to when both of us were riding in the youth division; that was nearly 50-years ago. It has been a pleasure to remain in touch with Mike over the years. I feel confident his precious mare, Skips Hi Bonnie, was waiting for him at heaven's gate. They are together again reminiscing about their awesome winning ride in the Western Pleasure at the All American Quarter Horse Congress many years ago. Mike will be fondly remembered and sorely missed by everyone who loved him. Please know each of you is being held close in thought and prayer during this painfully difficult time. Sending my heartfelt condolences and many hugs for all.

“ Jennifer, Whitney, Taylor, and Shane, I am so very sorry for Mike's passing. Mike was a mentor to me during our 6 years of working together. I learned the business and more importantly I learned what it took to be a good father. I even picked up a few coaching pointers....the kind that don't get you technicals. I hope you find peace and love in the memories you have shared.

“ *Very few memories of the first half of my life don't include Mike. I can't remember what I did yesterday but I can remember Mike trying to teach me how to ride a horse at a pace faster than walk. I never got it. But boy did he try. That memory plus 35 years of more just like it.*

My deepest condolences go out to Larry and Pat, Whitney, Shane and Taylor. He will be missed by everyone who knew him.

“ *Words cannot express the sadness this news brings to our whole family. Years ago are families had what I believed was a very close tie. Mike was a big part of that tie he will be sorely missed by us. Are prayers are with Pat and Larry, I cannot imagine the grief that they are having.
