“ Lynne, Chase, Lauren and Family, I have struggled all days to find the words. But now I know, there are clear cut right words. I am so sorry for loss and grief that Mike's death brings to you. Know this, your husband and father was loved and well respected by those who he came in contact with over the years. It's hard to believe it's been over 44 years since Mike agreed to join us at FB&TC Over all these years Mike worked hard, played hard and figured out to succeed for his family. At the time Citizens merged with 53 Bank, Mike called me to discuss opportunities that such a move would bring him for his wonderful family. Mike did not come for advise. No, he came make me his sounding board to enable him to make the decision for himself, Lynne, Chase and Lauren. Obviously he made the right choice
REST IN PEACE Mike Hidbrader, My Friend and co-worker for many of his 44 years in Banking. Mike, you are already missed by all.
